

Welcome to the Resource!

Dear Student,

We are delighted to announce that you now have unlimited access to the trusted Vault resource, to help you from start to end in your job search!

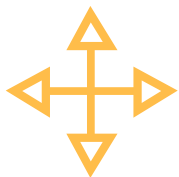

A comprehensive career resource, Vault enables you to research employers and industries, gain career advice, and apply to jobs. Whether you are just exploring possible career paths or are ready for an interview, Vault can help.

Here's what you can do once you're inside:

- ▶ View and download career guides on different law firms, practice areas, and general career topics for free
- ▶ Explore industries and watch Q&A videos by professionals in different fields
- ▶ Research law firms, and access verified employee and summer associate reviews
- ▶ View law firm rankings according to overall caliber, quality of life, diversity, practice area, and other factors
- ▶ Access exclusive job postings
- ▶ Gain career advice to get ahead
- ▶ And much more!

In today's tough job market, we want to help you maximize your chances of landing your dream job. Log on to Vault today to get started!

Sincerely,
The Vault Team

Vault. The world's leading source of career intelligence.
